1. On this date at approx 1310 hrs I spoke with Janice Escuza f/h/17 d.o.b.11/25/85 AKA Blaze, she said she resides at 104 Weirfield, 104 Schaefer st, and Halsey and Evergreen ave. 2. Janice went on to say that later on 2/26/03 she heard that Julissa was saying that Janice had sent some girls to jump her, Janice denied this and stated she was looking for Julissa and if she would have found her she would have kicked her ass but she never found her.

SUBJECT: INTERVIEW VICTIM'S AUNT, IRIS VELASQUEZ						
DETAILS:						
<p>1. On 8-17-03 I telephoned Iris Velasquez several times. She made up several excuses why she couldn't come in & seemed very nervous. She finally came in with her husband, Jose Salgado who is not fond of the police. Det. Wright & I interviewed her in the 83 PDS-RAM Interview Room at approx. 1815 hrs. Her D.O.B. is 2-3-59 residing at [REDACTED].</p> <p>She states she observed Rakaseem on 8-16-03 at approx. 1200 hrs. on the c/o Wilson Ave. & Woodbine St. He was wearing a green jersey with #34 on it, black baseball hat, black breakaway sweatpants, black sneakers & he was drinking "St. Ives" beer. He always wears that green jersey with #34 on it. He asked me where I was going & I told him to my mother-in-law's house, which is at 407 Wilson Ave. & right around the corner from my house. He, then, asked "Where's Divine at?", who is my husband & I told him he was home. When I came home about 15 minutes later Rakaseem was sitting on his stoop at 250 Woodbine St. smoking marijuana. I know he sells marijuana in front of his house. He was with several other males. One was a white dude. He asked where I was going & I said upstairs, continued walking & went upstairs. My husband was upstairs, I came back downstairs & stood on my stoop drinking a soda. Rakaseem left his stoop & went to the store on the c/o Woodbine St. & Wilson Ave. approx. 3 times to buy beer. At about 1430 hrs. he came & eat with me on my stoop. I asked him "What's Going on?" & he said "Everything is good." "I hope the lights don't come back on because I need some money." When he was sitting on the stairs he was selling marijuana. He kept it next to the garbage. He got up & went to his stoop at about 1500 hrs. My Sister-</p>

In-Law, Lizell, the one who has my kids, came at about 1505 hrs. Rakaseem came over to say hello to her & my kids. Julissa came to my house at about 1615 hrs. walking down from Knickerbocker Ave. & Woodbine St. by herself. I sent her upstairs so she could get something to eat. She came down with a sandwich & a soda & stood on my stoop with my stepson, Jamal Salgado. I left to go shopping with Lizell & told Julissa to stay there. Rakaseem remained sitting on his stoop. I did not see Rakaseem & Julissa have any conversation. Rakaseem had too much to drink that day. I returned home at about 1815 hrs. & Julissa was not there. Rakaseem wasn't on the stoop at this time. I went upstairs & asked my husband where Julissa was & he said that she left saying she'll be back later. I went downstairs, walked up the block & asked several males on Rakaseem's stoop where Rakaseem was. They said up the block. I walked up the block to Wilson Ave. & Woodbine St. I saw Rakaseem with several other males drinking beer. I asked him if he saw my husband & he said "Yeah, he's at the house". I stood on the corner & I saw Rakaseem leave the corner & walk to his house & back several times. He wasn't acting right. My husband came at about 2000 hrs. to the corner. At about 2030 hrs. Rakaseem left & went around the corner to his block. He came back about 10 minutes later. My daughter, Irene, & her husband, Allan, came at about 2100 hrs. They asked if we wanted to go to Coney Island, Rakaseem said yes. Rakaseem goes to his house & comes back with a blue towel wrapped around his hand. I said I didn't want to go & they could go with Rakaseem. They said they didn't want Rakaseem to go. Rakaseem left after 10 minutes with the blue towel wrapped around his hand. I asked my daughter why he had the blue towel wrapped around his hand. I thought it was strange. He came back about 5 minutes later without the towel. It is now about 2115 hrs. & we all stood there talking. At about 2200 hrs. my daughter & her husband said they weren't going to Coney Island. They left at about 2230 hrs. I went upstairs to eat & offered Rakaseem some food. I was upstairs & my son, Jamal, came up about 2300 hrs. with an empty plate. I asked for Rakaseem & he said he didn't know where he was. I sat down & finished eating about 2310 hrs. I got up & my husband came up. I asked where Rakaseem was & he said around the corner. I was eating at my Mother-in-Law's house, 407 Wilson Ave.. My husband went in the shower at his mother's house at about 2330 hrs. I looked out the window for Rakaseem to give him food & I didn't see him. Several minutes later I looked out the window & I saw Rakaseem. I asked him if he wanted food & he said to bring it down. I came down & asked why he didn't come up. He said he didn't like the people in front of the house. He was drinking another beer. I don't know where he bought that beer because the store on the c/o Wilson Ave. & Woodbine closed at 2200 hrs. He left with the food & said he'll be around the corner. I went upstairs at my Mother-in-Law's to take a shower because we don't have hot water. I came down about 0040 hrs. & walked home. I saw Rakaseem with several other males in front of his house. My husband stood there talking & I went to my house. Rakaseem started walking with me & I asked him where he was going. He said "To the store to buy beer for me & the falls & a Philly". I went upstairs & he went to Woodbine & Wilson & Made a right. I left the door open for my husband & got ready for bed. At about 0230 hrs. Rakaseem walked in my house. He was now wearing a white tee shirt, gray breakaway sweatpants. He no longer had the green jersey or black baseball hat on. He was sweating alot. He asked for my husband & I called him on his cell. tel. #917 415-5130 to tell him that Rakaseem was here. He said to tell Rakaseem he'd be right up. I asked him where he was & he said by his mother's house. My husband has another job call. #917 335-7109. I asked Rakaseem how he got up here & he said the door was open. When he came into my air conditioned bedroom he stretched his arms out & said "What a relief. It's nice & cool." He was in the house about 5 minutes & he left. My husband came right up. I asked him if he saw Rakaseem & he said yes. I asked him what he said & he said "nothing." He, then, said that Rakaseem said he was going home to bed because he had to go see his daughter the next day. I think in Manhattan. My husband, then, told me to relax because he has to tell me something. He told me that my niece, Julissa, got shot. He said he went in the car with his friend, Jay, to go to the store & he saw the police by the park on Halsey St.. Him & Jay saw my nephew, Jose, & they got out of the car to ask Jose what happened. Jose told him that he heard shots from a couple of blocks away. I came to the park after someone told him Julissa got shot in the park. I got dressed & went to the park with my husband. When I got there I saw an unknown Puerto Rican man who said he witnessed the shooting & that a guy wearing a green jersey with #34 on it did it. I was told by him that he gave Julissa's mother, Yvonna, his tel. #. He was talking to me & my sister, Dea. I came to the park in Jay's car with my husband. I left the park with my husband on foot to my Sister-in-Law's house, Lizell, with my step-son "Divine" aka Jose Jr.. She lives at 172 Eldert St. 2nd flr. & tel. #718 453-6401 about 0600 hrs. Irene & her man, Allan also came to the house. My husband fell asleep on Lizell's sofa. We were drinking coffee & I went on the front stoop with Lizell, Irene & Allan. Lizell asked us what we thought about it. I said "In my heart I think it was Rakaseem" Julissa told me & her mother if anything ever happens to her it would be Rakaseem. This is about 0730 hrs. My daughter agreed because I no. ago while sitting in front of my house Rakaseem told Irene that he's fed up with Julissa. I can't stand her & one of these days I'm going to kill her. About 2 mos. ago Julissa had a small, brown, revolver handgun & I saw it had bullets. I asked her where she got it from & she said Rakaseem.

She said she stole it from Rakaseem. At approx. 0830 hrs. my husband, Divine, woke up & said he was going home to rest. I told him I'm not going home yet but when I get home I want to talk to you about Rakaseem. I think Rakaseem did it. He did it. Divine said "If he did it he needs to pay" & he went home. I went to my brother, Daniel's house at 190 Schaefer St. 2nd flr. tel. #718 919-9894. I told him what happened & I got home at approx. 1100 hrs. The white guy & his girlfriend were on Rakaseem's stoop. I think the white guy lives on the 2nd flr. I didn't see Rakaseem & I asked the white guy where he was. He said he left at about 0500 hrs. I asked if he told them where he was going & they said no. I asked if he left with anything & they said no. I went upstairs about 1105 hrs. & my husband was awake. I said to him "Where's Rakaseem?" He left at 0500 hrs. Where did he go?" & I began to discuss my suspicions. Rakaseem doesn't work. He collects unemployment. He doesn't own a car. He has no phone. Rakaseem told me 3 wks. ago that he was fed up with Juliana because she keeps saying shit about him. She knows too much about him. She keeps telling people things about him & about what he's got. They're going to kill her.

INVESTIGATION: MURDER 2*						
SUBJECT: INTERVIEW EYEWITNESS, SHIQUN ALSTON						
DETAILS:						
1. As per earlier conversation & arrangement with witness by Det. Michael Panichi, 77 PDS, I respond to 77 PDS along with Det. Wright & Sgt. Bridgeman. Det. Panichi introduces us to P.A.A. Brenda Daniels, assigned to the 77 Pct. [redacted] her daughter (unidentified) & eyewitness, Shiquon Alston who is P.A.A. Daniels son.						
2. I interview Shiquon Alston DOB 12-10-83, [redacted] along with Det. Wright & Sgt. Bridgeman in the presence of his mother & sister who are there to support him. Interview begins at 0115 hrs. & ends at 0145 hrs.. He states he knows Juliana due to her being a neighbor for approx. 5-6 yrs. until approx. 2 yrs. ago. He states he was walking through the park on 8-16-03 at approx. 0030 hrs. to 0100 hrs. & saw Juliana sitting on a bench. He sat down & had a conversation with her. She told him there was a guy that was in love with her that keeps following her around & she does not share the same feelings. She said she was afraid of him because she didn't know what he was capable of. At that moment she sees him outside the park & says to me that's him wearing the green jersey with #34 on it. I try not to look because I don't want to make eye contact with him hoping he'll just walk away. He, then, approaches us & I have my knife with brown handle (folding) opened & on my lap. He comes up to us & says "Yo son, Move away from her." He pulls out a black revolver from a black, plastic bag, I got up & ran, dropping the knife from my lap to the ground as I ran. As I got about 3 or 4 feet away I heard shots & it sounded like a cap gun. I slowed down because I really did think it was a cap gun until

it sounded like a bullet struck the tree branch over my head. He let off about 5 shots as I was running. When I heard the bullet strike the tree branch I realized the gun was real & began to run real fast in a zig-zag pattern. I never looked back because I thought Juliassa ran too. I ran all the way home from the park. When I got home I checked to see if I was hit & I wasn't. I stood in the house. My brother, Scotty Capera, came home approx. 0230 x 0245 hrs. & he said somebody got shot in the park. The park is Irving Square Park on Halsey to Weirfield, Knickerbocker to Wilson. I told my brother it was Juliassa. He asked me how I knew & I told him the guy was shooting at me. I found out that she died in the afternoon of 8-16-03 when my friend, Quana, told me when I called her on the telephone. When he was approaching us in the park I took a brown handle, folding knife out of my front, right pocket, opened it & placed it on my lap in case I needed it for self defense. When I ran the knife fell on the ground. He was heavy, late 20's to early 30's & braids. I would probably recognize him if I saw him in person. I haven't slept since the incident.

3. On 8-17-03 at approx. 0420 hrs. in the 77 PDS Det. Wright, Sgt. Bridgeman & I show eyewitness, Shiquon Alston, a Photo Array #74028, which was developed from PIMS in color format. He positively identifies photo #2, subject NYSID #4935059Y, Garnell Thompson, as the perpetrator.

SUBJECT: INTERVIEW IRIS VELASQUEZ							
DETAILS:							
1. On 8-16-03 at approx. 1200 hrs. I interviewed Iris Velasquez, D.O.B. 2-3-59, who resides at [REDACTED], wife of Jose Salgado, in the 83 PDS-RAM interview room. She states Juliana would stay at her house from time to time. She would also stay with Rockasem at 250 Woodbine St. 1st flr. He lives there by himself. Last night I saw him & he was wearing a green jersey with #34 on it, braids, one lazy eye & gray pants. Around the time Juliana was shot Rockasem came to my house looking for my husband, Jose. He was all sweaty & acting strange. He went home, changed & left at 0500 hrs. to visit his daughter. He said me that he was upset with Juliana because she was telling people about him selling drugs & that he has guns. He also caught her cheating. He lives at 250 Woodbine St. ground flr. You go all the way to the rear, through the bathroom, make a right, go through the kitchen & into his SRO. He sells weed & has guns at this location. When I saw him he had a blue towel with him. He's approx. 36-38 years old. He told me in the past that he wanted to kill Juliana.

Carlito, then, gave him his bicycle & he rushed here. Also present moments later & approaches Jose is informant's brother, Steven Lopez D.O.B. 8-1-87. He is the one who provides me with his brother's pedigree information. He didn't remember his D.O.B. at this time. I continue the interview & Jose states that Julissa told him 3 days ago that she took a gun from somebody but he doesn't know who. He, further, states that Julissa is always with a guy named "Jerry" a M/H/16 who lives on Jefferson Ave. He doesn't know the address but knows the house & will escort us & point out his residence. Det. Bell & I drive in dept. auto with Jose Trinidad & he points out 1310 Jefferson Ave. stating his apt. is right in that gray door with #'s, 1310, on it & that there is only 1 apt... STATUS: ACTIVE														
1. On this date at approx. 0230 the undersigned picked up the above witness and his brother in front of their home, 517 Wilson Ave. They were brought into the 83 Squad. What follows is an account of his statement;														
2. Alex Benitez was entering Walsey Park from the c/o Weirfield and Knickerbocker Ave. As they approached the center of the park he heard approx. 5 or 6 shots. He saw people running in his direction. When he looked that way he observed a female fall to the ground. He then saw a m/b wearing a green basketball jersey with white number 34 and white lettering across the back with the name pierce. He was wearing dark colored shorts and had a dark colored object in his hand. He observed this male stand over the fallen female and continue to fire shots into her prone form. The male then ran out of the park onto Weirfield St. He crossed onto the far sidewalk and began walking quickly up to Knickerbocker Avenue. He appeared to have a black plastic bag in his right hand. At Knickerbocker Ave. the male made a left and disappeared from his sight.														
3. Mr. Benitez went on to say that he thought the perp had his hair in cornrows. He further stated that he did not get a clear look at his face., Because of the distance, he is not sure if he can ID him. He is willing to view photos or a line-up as needed.

CITY OF NEW YORK**

REPORT OF AUTOPSY

CASE NO. K0303657

I hereby certify that I, Charles A. Catanese, M.D., City Medical Examiner - II, have performed an autopsy on the body of Yvonne Julisa Felisiano, on the 16th day of August, 2009, commencing at 12:10 PM, in the Brooklyn Mortuary of the Office of Chief Medical Examiner of the City of New York.

This autopsy was performed in the presence of Dr. Leffers.

EXTERNAL EXAMINATION:

The body is that of a well developed, well nourished, average framed, approximately 5' approximately 145 lb, light brown skinned woman whose appearance is consistent with the given age of 20 years.

The scalp hair is wavy and brown. The eye have brown irides and clear conjunctivae that are free of hemorrhage, petechiae and jaundice. The oral cavity contains upper and lower natural teeth. The torso and extremities are unremarkable except for what is described below. The genitalia are those of a normal adult woman.

CLOTHING:

The body is received partially clad with one black belt, two white socks, and two white/red/blue sneakers. There is one black bloodstained pair of shorts.

There is a red bandana, a white T-shirt, a gray tank top, and a blue/gray/white plaid patterned shirt. These articles are blood soaked and have multiple perforations, some of which correspond to the below described gunshot wounds.

There is one pair of white underpants submitted in the rape kit.

These articles are submitted to Evidence.

POSTMORTEM CHANGES:

Rigor mortis is slight and symmetric. Livor mortis is slight and blanching at the posterior torso. The body is cold.

INJURIES, (INTERNAL AND EXTERNAL):

The following injuries are described under headings 1 through 10 for descriptive purposes only. No sequence is implied.

The directions are given with reference to standard anatomic planes.

1. Penetrating Gunshot Wound to the Left Earlobe:

There is an entrance gunshot wound at the left earlobe centered approximately 4" below the top of the head and 3 1/4" to the left of the midline. This wound consists of a 1/4" circular perforation with a symmetric 1/8" margin of abrasion. There is no soot of the adjacent skin and no powder residue within the wound track. There is an exit gunshot wound at the medial earlobe and directly subadjacent is a re-entry gunshot wound at the left side of the head.

After perforating the skin and subcutaneous tissue the bullet produces a hemorrhagic track grazing the left temporal bone and injuring multiple blood vessels with extensive soft tissue hemorrhage before coming to rest. Retrieved within the soft tissues of the face is a deformed small caliber gray metal slug which is inscribed with "JF1" at its base and submitted to Evidence.

The direction this bullet traveled is front to back, left to right, and downward.

2. Penetrating Gunshot Wound to the Left Neck:

There is an entrance gunshot wound at the lateral aspect of the left neck centered 8" below the top of the head and 2-1/2" to the left of the midline. This wound consists of a 1/3" circular perforation with a symmetric 1/16" margin of abrasion with other irregular up to 1/2" abrasions extending at its anterosuperior and posteroinferior aspects. There is a surrounding up to 1-1/2" contusion. There is no soot or stippling of the adjacent skin and there is no powder residue within the wound track.

After perforating the skin and subcutaneous tissue the bullet produces a hemorrhagic track through the soft tissues of the neck perforating the left jugular vein and right carotid artery before coming to rest at the superior aspect of the medial right chest.

A gray and yellow metal small caliber bullet is retrieved at the superomedial aspect of the right chest which is centered 10" below the top of the head and 2 3/4" to the right of the midline. This bullet is inscribed with "JF-2" and submitted to Evidence.

K0303657

YVONNE JULISA FELISIANO

Page 4

3 and 4. Penetrating Gunshot Wounds to Left Face (Two):

There are two adjacent entrance gunshot wounds to the left face, centered approximately 4 3/4" below the top of the head and approximately 3" to the left of the midline. These wounds consist of an approximately 1/3" circular perforation. The more inferior of these two wounds has an up to 1/16" margin of abrasion. The more superior of these two wounds has an up to 1/4" margin of abrasion which is greatest at its anterior aspect. There is no soot of the adjacent skin.

Both of these wound tracks run parallel producing hemorrhage and extensive fractures of the left mandible and maxilla before coming to rest in the sinuses of the face. These two deformed gray metal bullets are placed in separate envelopes and submitted to Evidence.

There are contusions at the base of the brain, patchy subarachnoid hemorrhage, and approximately 30 cc of liquid subdural hemorrhage at each cerebral hemorrhage and base of the brain.

The direction these bullets traveled are front to back, slightly upward, and left to right.

5. Perforating Gunshot Wound to the Left Face:

There is an entrance gunshot wound at the left eyebrow centered 3" below the top of the head and 2 1/2" to the left of the midline. This wound consists of a 1/2" irregular perforation with an irregular up to 1/2" margin of abrasion extending at its superolateral aspect. There is no soot of the adjacent skin or powder residue within the wound track.

After perforating the skin the bullet produces a hemorrhagic track through the subcutaneous tissue before exiting the body at the left forehead.

There is an exit gunshot wound at the left forehead centered 2 1/2" below the top of the head and 2" to the left of the midline. This wound consists of an irregular up to approximately 1 1/2" perforation.

The direction this bullet traveled is left to right, upward, and front to back.

6. Perforating Gunshot Wound to the Left Arm:

There is an entrance gunshot wound at the posterior aspect of the left arm which is centered approximately 4 1/2" below the left shoulder. This wound consists of a 1/2" circular perforation with a 1/16" symmetric margin of abrasion. There is no soot of the adjacent skin. There is an up to approximately 2" area of stippling surrounding this

perforation.

After perforating the skin the bullet produces a hemorrhagic track through the subcutaneous tissue before exiting the body at the superoanterior aspect of the left arm.

There is an exit gunshot wound centered approximately 1" below the top of the left shoulder. This wound consists of a 1/2" circular perforation with a surrounding up to 2" red/purple contusion. There is an adjacent up to 1/2" abrasion extending at its superior aspect.

The direction this bullet traveled is back to front, upward, and slightly left to right.

7. Perforating Gunshot Wound to Left Arm:

There is an entrance gunshot wound at the posterior aspect of the left arm which is centered 6-1/4" below the top of the left shoulder. This wound consists of a 1/3" circular perforation with an asymmetric margin of abrasion which is greatest at its posteroinferior aspect. There is no soot or stippling of the adjacent skin and there is no powder residue within the wound track.

After perforating the skin the bullet produces a hemorrhagic track through the subcutaneous tissue of the arm before exiting the body.

There is an exit gunshot wound at the anterior aspect of the left arm which is centered 5-1/4" below the top of the left shoulder. This wound consists of an up to 1/2" irregular perforation.

The direction this bullet travels is back to front, upward, and slightly right to left.

8. Penetrating Gunshot Wound to the Left Chest:

There is an entrance gunshot wound at the superolateral aspect of the left breast centered 11-1/2" below the top of the head and 6" to the left of the midline. This wound consists of an approximately 1/3" circular perforation with a margin of abrasion.

After perforating the skin the bullet produces a hemorrhagic track through the subcutaneous tissue and exits the body at the lateral aspect of the left chest. This exit wound consists of a 1/2" slightly irregular perforation with an adjacent 1" x 3/4" abrasion extending at its inferior aspect and connecting to an irregular up to 3/4" re-entry gunshot wound with an irregular abraded margin. This bullet then produces a hemorrhagic track through the subcutaneous tissue before coming to rest in the soft tissues of the left flank.

JULISSA FELICIANO

Page 6

This bullet is centered 18" below the top of the head and 5-3/4" to the left of the midline and consists of a gray and yellow small caliber slug which is inscribed with "JF8" at its base and submitted to Evidence.

The direction this bullet traveled is right to left, front to back, and downward.

9. Penetrating Gunshot Wound to the Back of the Head:

There is an entrance gunshot wound at the superoposterior aspect of the right parietal scalp centered 1-1/4" to the right of the midline and 1/2" below the top of the head. This wound consists of a 1/4" circular perforation with a symmetric 1/16" margin of abrasion. There is no soot or stippling of the adjacent skin and there is no powder residue within the wound track.

After perforating the skin and subcutaneous tissue the bullet produces a hemorrhagic track through the right parietal bone and the right cerebral hemisphere where it is retrieved floating freely in the cranial vault. There are contusions at the base of the brain and patchy subarachnoid hemorrhage. There is approximately 30 cc of patchy subdural hemorrhage at each cerebral hemisphere and at the base of the brain. This deformed small caliber bullet is inscribed with "JF9" at its base and submitted to Evidence.

The direction this bullet traveled is back to front, downward and right to left.

10. Other Findings:

There are several up to 1/2" red to purple contusions at the anteromedial aspect of the right arm. There is an up to 1-1/4" red to purple contusion at the right knee. There is an up to 1-1-1/2" red to purple contusion at the right foot.

There is an up to approximately 1" area of dark amorphous powdery material at the anterior aspect of the right wrist.

There is an approximately 4" x up to 3-1/2" area of multiple red/brown, approximately 1/16" stippling defect at the left face. This stippling pattern is in close proximity to the gunshot wounds described below under subheadings 1, 3, 4, and 5.

These injuries, having been described, will not be repeated.

Q. Okay, ahm, now, you said that you heard shots in the park, right?

A. Right.

Q. Approximately how many shots did you hear?

A. Maybe five or six.

Q. And now when you heard the shots, you said -- where -- where did that draw your attention to?

A. To where it was coming from, the source, towards the middle of the park.

Q. And when you looked in that direction, what did you see?

A. I saw two people, I doubt I saw three, I saw two people and I saw the body fall and then the person looked over them facing down and continued to shoot the body after it fell on the floor.

Q. So the person that you saw shoot the body first, before it fell then stood over the body and shot into it again?

A. Yes.

Q. Approximately how many shots did you see when he was standing there like that?

A. Maybe five or six.

Q. Five or six all together?

A. Yes.

Q. How about when he standing over the body, when the body was already on the floor?

A. Like after the first shot, or maybe the second shot, she fell, and then the rest continued to shoot down.

Q. And how close was the guy to the body when they fired shots like that?

A. Maybe a couple of steps, it was face to face.

Q. Face to face, okay. What about when he was standing over the body, how close?

A. Directly.

Q. Directly over the body?

A. Yeah.

Q. Okay. Did you hear anything, any words exchanged or anything?

A. No.

Q. And then you said he ran out of the -- is that the exit closest to where the body was?

A. The closest entrance to the body, was -- was the only entrance that were steps, and he ran down the steps and diagonally across the street and as he ran, he slowed his pace down, like to see, uh, notice and he was checking his surroundings and he walked to the corner of Knickerbocker and Weirfield and he made a left and he kept going towards the Hancock direction.

Q. Who called the cops that night?

A. Me.

Q. And you used your cell phone?
